

Great Lake TURN Labor-Management Collaboration Conference

Advancing Labor Management and Community Partnerships to Address Opportunity Gaps

Our next Great Lakes TURN Labor-Management Collaboration Conference is set for May 11-12, 2017 in Cincinnati, OH. We are excited to be able to provide this opportunity to bring together collaborative teams of union and management from across the Great Lakes TURN region states.

Our GL TURN locals are encouraged to invite representatives from their district and school administration, boards of education, and community leaders to join their teams for this two-day forum. We continue to encourage our GL TURN locals and districts to continue to share their collaborative efforts to plan and implement teaching and learning initiatives as part of our Regional TURN Communities of Practice. Please come prepared to engage with other teams to listen, learn, push and support each other's work.
