

Great Lake TURN Labor-Management-Community Collaborative Partnerships Conference

Our next Great Lakes TURN Labor-Management-Community Collaborative Partnerships Conference is set for November 2-3, 2017 in Naperville, IL. We are excited to be able to provide this opportunity to bring together collaborative teams of union and management from across the Great Lakes TURN region states.

Our GL TURN locals are encouraged to invite representatives from their district and school administration, boards of education, and community leaders to join their teams for this two-day forum. We continue to encourage our GL TURN locals and districts to share their collaborative efforts to plan and implement teaching and learning initiatives as part of our Regional TURN Communities of Practice. Please come prepared to engage with other teams to listen, learn, push and support each other's work.
