Collaborative Approaches To Prepare Our Students for the 21st Century

Our next Northeast TURN Conference is set for October 2-3, 2014 in Cambridge, MA. We are excited to be able to provide this opportunity to bring together collaborative teams of union and management from across the NE region states. We are also proud to be able to have the Massachusetts Education Partnership join us as a co-sponsor for this conference.

Over the past several years, NE TURN has been bringing together labor-management teams to examine programs, policies and practices that impact teaching effectiveness and student learning.
